Responding to Tenders

When the RPFPOD/Tender is published an e-mail will be sent by the system to inform you of this and that the exercise can now be viewed and worked on. The following section of the user guide will take you through the RPFPOD/Tender response process.

Note: While this guide covers the attachment of an ITT response, it remains the same for the return of a PQQ or RFO, it is just the specific wording that will change.
