Subject: Support for the Proposed Footpath

Diversion

ROW/3350303 and ROW/3350304

Dear Councillors,

I am writing as a local resident, a keen and a regular dog walker to express my support for the proposed footpath diversion.

I use the local paths frequently and would very much welcome a route that is easier, safer and more pleasant to walk. The current options can be challenging at times, particularly when walking a dog, and the proposed path would make a real difference to everyday use. A more accessible route would encourage more people to walk locally and enjoy the countryside in a safe and responsible way.

From my own experience, I believe this proposal would be a positive improvement for the community and I hope the Council will support it.

Thank you for your time and consideration.

Yours faithfully,

Hesther
